### **OTHER AMENITIES AND FEES**

**Pro Shop:** Lincoln Country Club offers an on-course fully stocked pro shop staffed by a PGA professional. Our pro is a private contractor to Lincoln Country Club. It is our goal to fully support this relationship, and to that end, all members are assessed \$50.00 in March, which they agree to spend on merchandise in the pro shop. A credit for \$50 will be available in the pro shop beginning in April. Our pro offers lessons and clinics, and runs our tournaments.

**Clubhouse/ Restaurant minimums:** Lincoln Country Club has a full kitchen and dining facility staffed by a private vendor. In accordance with our contract with the vendor, each membership category is required to spend a minimum amount of money per month on food or drink, or be billed for the difference. Accrual shall be from the first day to the last day of the month. The restaurant does not offer any credit services; it is strictly pay as you go. The restaurant is open April 1- October 31, with limited hours in November. The restaurant may be booked for private functions.

**Guests and guest fees and golf cart rental:** Members must register all guests in the pro shop. An individual guest may only play once on a weekend and twice during the week in any given month. You may not bring more than one guest on a weekend (Saturday or Sunday) before 3:00 unless you receive prior approval of the Board of Governors. Guest and cart fees are invoiced with your monthly statement. It is important that all guests abide by the Lincoln Country Club Course Rules.
